

HOPE YOUR EASTER WAS CHOCK - A- BLOCK!

Albion Park Rail bypass
sign structures

New 1st year apprentices

Ayana Ezou

New office staff

Hello and welcome to our 1st newsletter for 2021!! I think we all want to forget about 2020!

I see we are slowly getting back to a more normal Covid-free lifestyle and I'm sure we will all welcome that with open arms!

Firstly we congratulate Ayana Ezou for finishing his 4 year boilermaking apprenticeship -here's to a successful career for you.

We have also had 4 new 1st year apprentices commence including William Richards, Kyle Smith, Riley Thompson and Blair Wilson. We wish them well and every success in their chosen apprenticeship. Absent on site: Blair Wilson and Kyle Smith.

We also have some new office staff that have commenced with Macfab, assisting whilst Bernie Almazan is on long service leave. They are Suga (estimating) Muhammad (Quality), Sammy and Rohit (Project Engineers). Maddy Crichton (Office Admin). We welcome them all to the Macfab team.

ACHIEVEMENTS & TRAINING

- Kyle Smith (a 1st year apprentice) has completed his white card to enable on site work.
- Medhi, Ash and Muhammad sat their Welding Supervisor Exam and now waiting for results. Good luck to all of you!

CURRENT & ONGOING PROJECTS

- Batemans Bay bridge
- Albion Park Rail bypass sign structures
- Echuca-Moama bridge steel work
- OLE structures Edithvale, Chelsea and Bonbeach
- OLE structures Sydenhan to Sunbury
- M80 noise walls
