**Hello everyone and welcome to our 2nd newsletter for 2021.**

Macfab continues to roll along with its current projects still continuing into the rest of this year.

Fortunately Covid restrictions have eased for both regional Victoria and NSW making our lives a little easier and being able to get out and about more.

### CURRENT & ONGOING PROJECTS

- Mordialloc noise walls
- Albion Park Rail bypass sign structures (Oak Flats)
- Echuca-Moama bridge steel work
- OLE structures Edithvale, Chelsea and Bonbeach
- Echuca-Moama noisewalls
- M80 barrier rails
- Garden Island fenders
- Abbots & Greens road screens
- Old Geelong Rd steel platform
- Manchester OLE structures

### ACHIEVEMENTS & TRAINING

- Congratulations to Jack Peisley on completing his Boilermaking apprenticeship last month. 4 years of hard work! All the best with your future Jack!
- A white card course was also completed by Javad (Welding Supervisor).
- Ash & Muhummad in the last newsletter were waiting on results of their Welding Supervisor's exam. They both passed with flying colours. Congratulations to you both!
- Congratulations to Muhummad & Shak on successful gaining GOLD achievement for our recent Environmental Sustainability Audit. Well done on a great job for Macfab
- We welcome our 1st year Apprentices Gabriel Davies, Nick Venturato, Blair Wilson and Kyle Smith. Congratulations to all of you. We wish you very well and a successful career at Macfab!

New 1st year apprentices L-R Kyle, Gabriel and Blair (absent Nick)

**Until September, stay safe, Michelle, Mud & all the Macfab team**
